

The Prais-Drimmer Institute for Development of Anti-Degenerative Drugs,  
Tel Aviv University

April 2021

Dear researchers,

The Prais-Drimmer Institute for development of Anti-Degenerative Drugs at Tel Aviv University was established by the Prais-Drimmer family to enhance innovative studies towards the development of anti-degenerative drugs.

The Prais-Drimmer Institute opened a new program for funding part of the scholarship of excellent PhD students. The Institute will fund a number (7-9) of scholarships this year (25%). The scholarships will be devoted for translational research in the field of neurodegenerative diseases.

Please note the following criteria:

1. Research field of the student should be neurodegeneration or development of anti-degenerative drugs.
  2. Candidate should be in his/her second year or third year of the PhD (after the proposal).
  3. Applicants should submit a 2-page proposal describing their PhD goals and preliminary results (English, font: Arial 11/Times New Roman 12, line spacing: 1.5) including:
    - Student name (name and affiliation)
    - Project title
    - Scientific background
    - Specific aims
    - Experimental design (outline)
    - Uniqueness and significance and relationship to anti-neurodegenerative drugs development (not exceeding 300 words)
    - Up to 10 references (can beyond the 2 pages)
    - In the same pdf file, the applicants should provide: A short CV and list of publications.
    - A letter of recommendation should be submitted separately.
- \* Eligibility: The submitting student must be a Tel Aviv University student, who is **not** funded by other programs.
- Deadline for proposal submission: **3/05/2021**
  - Winner announcement until the Institute ceremony **18/5/2021**(may be requested to give a brief lecture)
- \* Funding of selected projects will begin: **1/10/2021**
- \* Proposals and letters should be submitted electronically to:  
Tal Oded : [taloded@tauex.tau.ac.il](mailto:taloded@tauex.tau.ac.il)
- \* Proposals not written in accordance with the requested format will not be considered.  
Upon submission, an electronic confirmation of receipt will be sent by Tal Oded.

Sincerely,

*Pinkas Ronit*

Prof. Pinkas-Kramarski Ronit  
Head, Prais-Drimmer Institute for Development of Anti-Degenerative Drugs,  
Faculty of Life Sciences  
Tel Aviv University
